Class information also at: www.oregonchildcaretraining.org www.trainingemployment.org

These are ONE time class offerings and may not be offered again:

Screen Time Dilemmas
Early Learning Matters

January 24th, Tuesday @ 3:30 – 5:30 pm

The focus of this training will be on the effects of screentime on children's school readiness. 1.5 hour of training will be followed by .5 hour of targeted discussion.

Instructor: Tammie McEnroe, Karla Macy, Melissa, Jean Johnson

ckc: Families & Community Systems, Set 1

Taxes for Your Child Care Business

January 26th, Thursday @ 6:30 - 8:00 pm

Receive an overview of tax information and tips for your business deductions and planning. Learn about documentation needed for taxes.

Instructor: Julie Huntington, CPA

ckc: Program Management, Set 1

Screentime – Pros and Cons

January 31st, Tuesday @ 6:30 – 8:30 pm

Explore the data from research and engage in discussion about the impact of technology on young children. Strategies and practices to promote healthy child development will be presented.

Instructor: Jean Johnson, BS, Early Learning Trainer

ckc: Human Growth & Development, Set 1

Challenging Changes in Family Life

February 23rd, Thursday @ 6:30 - 8:30 pm

Learn ways to support children and their families as they encounter changes in their lives. Children's brains are developing and feelings are expressed differently than adults. Explore strategies that can be developmentally appropriate and effective. Practice skills and activities to help children learn to cope with changes. Discover tangible ways to connect and communicate with families to support their children.

Instructor: Barbara Tyler, MSW, LCSW

ckc: Families & Community Systems, Set 1

Observation: Tools for Guiding and Teaching

March 22nd, Thursday @ 6:30- 8:30 pm

There are many tools for observing. Become aware of Ages & Stages Questionnaire and other tools used for observation and assessment. Environment and interactions are critical to helping children learn and develop skills. You will explore an overview of assessing the environmental impact on children and practice observation skills to use as tools to help you plan activities and guide children's behavior.

Instructor: Ruai Gregory, MA, Early Learning Trainer

ckc: Observation & Assessment, Set 1

More class information is on back side of this page!
